FOR HOSPITALS AND CLINICS

Free resources for your patients

The Juniper Foundation provides free educational resources, medical research references, and family support information for high-risk pregnancies, premature births, NICU experiences, and pregnancy or infant loss.

What families will find

- Plain-language education on pregnancy complications, the NICU, and life after discharge
- Urgent warning signs, with clear direction to seek care
- Questions to bring to their care team
- Links to original guidelines and research
- Grief and bereavement support resources
- Printable checklists for long hospital stays

What you can count on

- Everything is free. There is no advertising.
- We do not diagnose or give individual medical advice.
- Pages show whether they are medically reviewed or research indexed.
- We never ask families for medical records.
